Hear from Governor Reynolds, meet Iowa's women legislators and enjoy an evening networking with fellow women of influence at our State's historic gem, Terrace Hill.

As we celebrate, we are reminded there's more history to be written through advocacy efforts and opportunities to grow together. We invite you to help shape women's history in our State. Join NAWBO Iowa today and let's celebrate together.

As a member, women business owners receive a combination of benefits that provide a unique membership experience. NAWBO Iowa offers a variety of activities to empower women at the state and local levels. With regular networking and educational events, our members have the opportunity to develop close relationships and discuss business issues as their needs evolve.
